Specializes in Sourcing Airframe Components

When it comes to procuring a hard-to-source rotatable, working with an experienced procurement team like **World Tech FZE** can mean securing a part more quickly and getting aircraft safe and airworthy sooner.

World Tech FZE has extensive experience procuring rotatables for many types of aircraft. Reach out to our team and let us help you procure the aircraft part you're looking for!

World Tech FZE has expanded its capabilities beyond aircraft sealants to offer a wider range of replacement expendables and aircraft parts. In addition to sealants, our sales team can procure chemicals, components, metal/sheeting, rotatables and tools, and hard-to-source parts.

We are supplying rotatables in aviation:-

- ✚ **Avionics units**
- ✚ **Landing gear (e.g. actuators)**
- ✚ **Airframe**
- ✚ **Valves**
- ✚ **Air filters**
- ✚ **Fuel pumps**

Aircraft Landing Gear Parts
